

EL REFUGIO DEL ROBLEÑAL

DOCa Rioja

VARIETALS: 100% Tempranillo

VINEYARDS: Located in the area of El Robleñal in Álbalos, it is a plot planted in 1985 with bush vines. Altitude 537m. Surface area 0.5 ha. Clayey-limestone soil, poor and not deep. Vines with little vigor and low yields. Harvest by hand.

WINEMAKING: Fermentation in stainless steel tanks at a controlled temperature, always below 25°C. Gentle pumping over is carried out daily to avoid too much extraction.

AGED: 8 months in used 225-liter French oak barrels.
